The City Attorney is authorized to have an abstract of title made to such lot or lots, and the expenses thereof, shall be charged as an item in the collection of said assessment.

9. In case any such officers whose signatures appear on the bonds or coupons shall cease to be such officers before the delivery of such bonds to the purchaser, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if they had remained in office until the delivery of the bonds. The bonds shall run for one, two, three, four and five years, and bear interest at a rate not exceeding six per centum per annum, as may be designated in the bonds, payable semi-annually, with interest coupons attached; and such bonds shall be of such denomination as the City Council in said ordinance may order and direct. The City Council may, in its discretion, in such ordinance provide that any bond shall be payable at the option of the municipality at any interest paying period; and if the City Council desires to exercise this right, it shall be stated on the face of the bonds, as well as in the ordinance authorizing their issuance, that they are subject to call at any time before their maturity that the City Council may deem proper; provided, however, that

Said Board shall have the right, in case of any claim for pensions, to have the claimant examined by any competent surgeon or surgeons the Board may select. The action and determination of said Board shall be final on all questions of fact, and shall not be subject to review in any other form except for illegality or want of jurisdiction. Said Board shall have power, if for any reason it believes that the pensioner is not permanently crippled or disabled, after it has made its award, or that he has recovered from the personal injury, and is authorized to make further investigations, and to have the pensioner examined by a surgeon appointed by it, and if in the opinion of said Board, upon such further investigations, the pensioner is not permanently crippled or disabled, or has recovered from his injury, the Board shall order that the said pensioner shall be dropped from the pension rolls, and all payments of pension shall cease from the date of such order. Such investigation shall be after written notice, and served at least five days prior to the investigation and hearing, upon the petitioner.

SEC. 55. *Be it further enacted*, That all the acts, assessments and obligations created under Chapter 158 of the Acts of 1907, and amendments thereof (Chap. 131, Acts 1911 & Chap. 158, Priv. Construct.

(1) Said fund shall constitute a separate fund, to be used exclusively in the construction of curbings and sidewalks in the City of Nashville. The Mayor shall have the power to expend such fund or any portion thereof for the purpose herein provided, upon authority given by a resolution of the City Council. No portion of said bonds shall be expended by the Mayor until a notice has been published three times in one of the daily papers published in said city, directing the owners of the property in front of which it is necessary to construct such sidewalks and curbing to proceed to construct the same in accordance with the plans and specifications therefor prepared by the City Engineer, and within thirty days from the date of the first of said notices. Said notices shall give the name of the owner of the property in front of which such curbing or sidewalk is directed to be constructed, and also the number of front feet of said lot, and the number of the lot and the plan thereof, if there be such. But any mistake as to the name of the owner of any such lot, or the number or description of said lot shall in no wise invalidate or effect the lien upon said property for the sum of money expended in the construction of such sidewalks and curbing.

be paid within thirty days from the date said assessment is entered upon the City Comptroller's sidewalk book. Provided, however, that any property owner who shall elect to pay his assessment in five equal installments shall have the right and privilege of so doing upon his election, expressed by the payment of the first installment within thirty days after said assessment list has been entered by the City Comptroller on his sidewalk book, and the remaining four installments shall be paid in 3, 6, 9 and 12 months thereafter, and all such assessments shall bear interest at the rate of six per cent per annum from thirty days after the entry upon the City Comptroller's sidewalk book. The failure to pay any one installment for thirty days after it shall become due shall of itself make all the remaining unpaid installments become, at once due. The payment of the first installment, as above provided for, shall be held and constitute a waiver of any illegality, or irregularity, or invalidity with regard to the assessment for such improvement against his property.

In all cases where the first installment has not been paid within the time prescribed, the entire assessment shall be payable in cash on the expiration of sixty days from the date that said assessment was entered on the City Comptroller's sidewalk book. If said sums of money have not been paid at the expiration of said period of sixty days, it shall be the duty of the City Comptroller to certify to the City Attorney of said city a list of all such delinquents, and it shall be the duty of the City Attorney to immediately and without further notification to the owners of said property, proceed to collect such sums by bill in the Chancery Court of Davidson County. Such bill may include as many as twenty-five (25) distinct pieces or tracts of land, the owners thereof being made defendants to the bill, and such cause shall not be subject to objection for misjoinder by reason of the distinct interest that several of the defendants have in the property proceeded against, and all parties necessary to enable the Court to enforce the lien and to divest the title and invest the same in the purchaser may be made party defendant; that should any person interested pay after bill filed and before sale of land, the City Attorney shall dismiss the suit as to the persons and property included in said payment; provided, the persons so paying the taxes or assessments shall pay, his, her, or its just proportion of the cost accrued in said cause to the date of the payment; and, it is, therefore provided that the filing of this bill shall in no way defeat the rights of the City of Nashville to the lien as before established, such bill being filed for the purpose of enforcing the same. Said bill herein provided for shall be in substance and in form the same as other bills filed in the Chancery Court for the purpose of foreclosing and enforcing liens and collecting taxes, assessments, or money due, and for divesting title and making

Said cause shall be at issue as to any defendant when he, her or its answer is filed or proconfesso has been taken, and the cause may be proceeded with by or against any one or more of the defendants until final judgment, sale and confirmation thereof without in any way affecting any other party to the suit. Any party to the bill shall have the right to appeal to the Supreme Court or to a writ of error, and such bill shall not affect proceedings as to other parties. It is hereby intended that said sums of money expended under this Act, together with all interest, costs, and charges, shall be and constitute a lien upon the fee in said lot or lots or parcels of ground immediately hereunder, and not merely upon the interest of the person or persons to whom said assessment and levy may be made, but to any and all other interests in said property, whether in reversion, remainder, or any estate of any nature whatsoever, and said assessment shall not be invalid on account of said assessed property having been leased or the assessment made against any one as owner or owners not the owner or owners, or where the owner or owners are unknown. The said lien shall be prior and superior to all other liens or incumbrances of any nature whatsoever, except State, County and Municipal taxes.

Said liens shall attach when upon the adoption of the resolution authorizing and directing said improvement. Said resolution shall be entered upon the minute book of the Board and shall become a notice and fix the lien as to all parties who may have acquired prior thereto any title, right, or interest in or to said lot or parcel of ground, or who may acquire any such title, right, or interest subsequent thereto. The City Attorney is authorized to have an abstract of the title made to such lot or lots or parcels of ground, and the expense or interest thereof charged as an item in the collection of said assessment.

(4) That all moneys expended for the construction of curbing and sidewalks out of the proceeds of the bonds whose issuance is here authorized shall, when collected from the person, firms or corporations upon whose property such cost of construction shall have become a lien as heretofore provided, be again deposited with the Treasurer of said city, and shall be again used for the construction of other sidewalks and curbing in said city. The money herein before provided for the construction of curbing and sidewalks shall never, in any way be included in any of the

annual budgets of said city; but it is intended that said money shall be again used in the construction of sidewalks and curbs as rapidly as it is collected.

SEC. 56. *Be it further enacted*, (1) That all the Acts, assessments and obligations created under Chapter 506 of the Private Acts of 1917 are here assumed, and all duties and trust imposed upon the funds derived from such bonds shall be administered as herein provided for the construction of gutters. The proceeds from said Gutter Construction bonds shall be deposited with the Treasurer of the City of Nashville to the credit of the fund designated as "Gutter Construction Bonds of 1917," and shall constitute a separate fund to be used exclusively in the construction of gutters in the City of Nashville. The Mayor of the City of Nashville shall have power to expend such funds or any portion thereof for the purposes herein provided in such manner as he shall deem proper upon the adoption of a resolution by the City Council authorizing the same; provided, however, that no portion of said bonds shall be expended until a notice has been published three times in one of the daily papers published in said city directing the owners of the property in front of which it is necessary to construct such gutters to proceed to construct the same in accordance with the plans and specifications therefor prepared by the City Engineer and within thirty days from the date of the first of said notices.
